

## "2006 IS THE YEAR OF THE BLACK PANTHER IN AMERIKKKA"

### ADDITIONAL/POTENTIAL EVENTS & ACTIVITIES:

May is also the 35th Anniversary of the Acquittal of the N.Y./N.J. "Black Panther 21." We should be sure to include in the planning & outreach, comrades Jamal, Afeni, Ali-Bey, Dhoruba, Shaba Om and the other former Panther Political Prisoners in general and our exiled comrade Micheal "Cetewayo" Tabor in particular; who is currently in need of our assistance in dealing with a critical shelter/educational situation for his 12 year old son who is presently living in a shelter with his native Zambian mother in Alabama.

Additionally, there is a growing number of eastern regional area "Panther Cubs" that are currently networking with other "Rebel Fruit" and; securing sponsors to hold a "Panther Cub" retreat this summer in Cape Cod and a series of benefit 60's/70's concerts this year featuring **WAR, Mandrill**

and hopefully members of **Santana, Parliment-Funkadelic & Earth, Wind and Fire.**

Of course there is also the probability of securing past politically centered musicians from that era such as **Gil Scott Heron and The Last Poets**

The proceeds will aid in providing the Panther Cubs with resources for lodge/travel to both the Retreat and the 40th Anniversary & National Reunion of the Black Panther Party in Oakland, California.

They will join other western regional "Panther Cubs" in presenting a special "Black Seeds Workshop" and other presentations on the positive and negative realities of being children of original Black Panther Party/B.L.A. members.

The "Panther Cubs" are the **Primary Coordinators** of any and all family support projects/efforts for the **Safiya Bukhari-Albert Nuh Foundation: "To Support The Families, Health And Legal Campaigns Of U.S. Held Political Prisoners/POW's, Exiles & Fallen Comrades."**

"**NO ONE**" is more qualified and/or knows the needs and hardships of the revolutionary family in Amerikkka better than they do.

Finally, a very special Black Panther Party exhibit will be show cased at this years March 25th **Greater Washington, DC, Black Memorabilia & Collectable Show.** Original Panthers (O.P.'s) from all over the U.S. will be on hand to speak and dialog with the thousands of participants.
