## **Their Levees - Our Levees**

?

**Here's how the British hold back the waters from flooding London:**

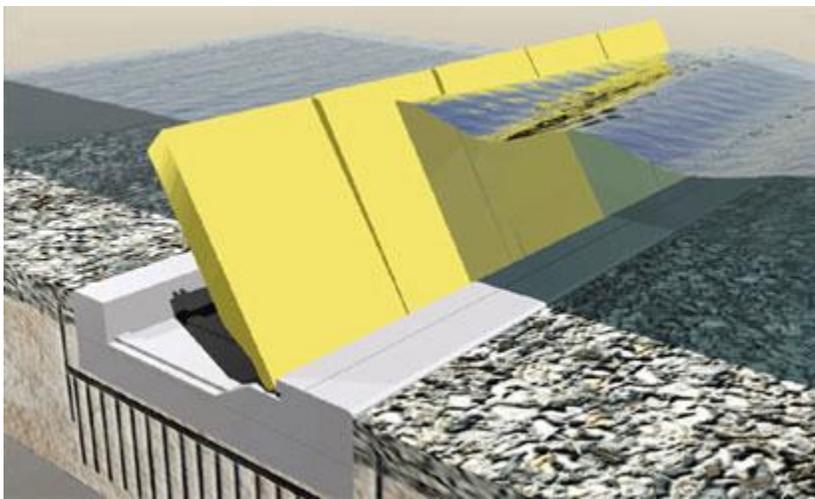

?

**And the Dutch solution to protecting an entire nation that mostly rests below sea level:**

?

**The Italians are defending their city on the sea, Venice:**

?

**And...**

**Here's how the richest, most powerful and technologically advanced nation on earth protected against the long-forecasted flooding of New Orleans:**
