

## PEOPLE'S DEMONSTATION AGAINST FILTH

The Kansas City Chapter found it necessary in order to gain increasing community support, serve the people of the community, and height ten the political awareness of the community to initiate a program dealing with an immediate problem of the community. The trash problem is a very real one and it demands immediate attention.

The city of Kansas City passed a no burning ordinance in March 169. Their justification of this action was to rid the city of polluted air. The air pollution problem may in fact be real, however the air pollution stemmed from the industries that are throughout the Kansas City area. By stopping the people from burning their trash, they did not curb polluted air produced by the factories and large industries like the Packing House.

As a result of this ordinance they hurt the city as a whole but the black community in particular suffers. The trash collectors in the city and charging two dollars a barrel for the removal of this trash. The people in the white community can afford the cost of trash service. He immediately ran into the building and saw some of the residents trying to climb out the second and third floor windows led them to safety. Upon his second attempt into the building he came upon others still trapped in their apartments trying to find their way through the heavy smoke and led them to fresh air. All together his efforts alone saved at least seven lives.

The rally drew about 700 persons, most of them black, into the Gregg Community center at Seventeenth street terrace and the Pasco. #### **NEW PIG PATROL IN KANSAS CITY**

Black Panther Party has begun Patrols of the Pigs. We immediately ran into a confrontation with the shit of the earth. On Saturday night, March 22, six (6) Panthers were arrested while they were making their rounds near 31st and Woodland, near the heart of the Black Community, As Deputy Chairman Pete O'Neal went into a drug story to phone headquarters. a Pig, sergeant Pete Nino, walked in behind him. Finding out that he had no change to make a call, Pete went to the counter to get a dollar's change. The Pig Nino went over to the phone booth and picked up a glove and car keys

The Kansas City Chapter of the that Pete had laid down. Pete immediately demanded his keys back but the Pig said, "I didn't see your name on them," and he started laughing. The Pig started to walk out of the store but Pete grabbed him and pulled him back in. They started arguing. Two nigger pigs walked up and grabbed Pete, The Nino Pig punched Pete and, of course, Pete returned the blow. Then the shit really came down. Several more Pigs jumped on the other 5 Panthers and the brothers really returned tit for tat. One big, strong Panther who is only 15 years old was fighting and struggling with 5 Pigs at one time. As one Pig drewhis gun, Brother

between the Oakland Pig and Brother Huey Newton, Pete said, "Go for it, Pig Draw your gun! I got witnesses!" (About 25 wit-nesses) "You better NOT touch that gun, Swine!" The Pig got extremely nervous and said, "Don't cause a disturbance!" This is the insult of insults, it is the Pig who disturbs the community, it is the white reactionary businessmen who disturb the community. The lousy schools disturb the community. After the brothers were finally

OUTNUMBERED they were taken downtown to the Pigpen and re-leased on \$500 bond each. Their court date has been continued.

The Pig Patrol has weathered its first attack by the Pigs and shall continue to watch for any incidents of Pig brutality and improper procedure. The amount of static that we get is a good measure of our effectiveness. The more the BLACK PANTHER PAR-TY is confronted and attacked and the more we fight back, then we can well assume that we are making the position of the Pig Establishment less secure and more vulnerable to attack.
