The Power of the Black Panther Party

It is an indisputable fact that the Black Colossus is confined within the boundaries of some less-developed states. It is fighting for its own liberation from imperialist oppression, in leading the movement for basic economic and political change which will ultimately free the entire working class.

In this historical period, the Black Panther Party has proven, by its phenomenal growth, by the acceptance of its program by a growing segment of the black population, that it is the emerging political leader of the Black Colossus, which signifies that it is providing the leadership of the revolution in this country.

The Power of the Black Panther Party.

The structure of the Black Panther Party is a political organization that provides a base for its members to achieve their goals. It is designed to lead both of which achieve its ultimate victory. We cannot, of course, prove an "ultimate victory," but we can attempt to determine whether we're heading in the right direction.

In building a revolution, there are 7 essential steps to organizing for the attainment of the demonstrated needs of the working people and the creation of a revolutionary consciousness toward that inevitable day when we'll destroy this monstrous capitalist power structure and begin building a socialist people's world.

The struggle is for immediate gains and a solution to the basic structures and systems. The struggle is for immediate gains and a solution to the basic structures and systems of oppression.
