

John Bowman will be missed in East Africa!

It seems like yesterday that Brother John Bowman was here as one of the representatives of the Oklahoma Health Care Project visiting UAACC. The group including Brother John, Brother Wayne, Sister Brenda and Sister Kathleen were here to build collaborations and empowerment opportunities for the youth in Imbaseni Community, site of UAACC.

We remember Bro. John built an immediate camaraderie with the youth that he met who attended the ngoma traditional dance celebration in honor of the visit.

The youth were intent on gaining the wisdom of Brother John as a Black Panther elder and long time activist.

We at UAACC will always remember Brother John's smile and his determination to make things better in the world.

May he rest in peace and his positive example be known and emulated!
