

SAN FRANCISCO STATE BSU DEMANDS:

DEMAND #1

All Black Studies courses being taught through various departments be immediately part of the Black Studies department and that all the instructors in this department receive full time pay.

At the present time, the so-called black studies courses are being taught from the established departments which also control the function of the courses. We, the Black Students at San Francisco State College, feel that it is detrimental to us as Black human beings to be controlled by racists, who have absolute power over determining what we should learn.

DEMAND #2

That Dr. Hare, Chairman of the Black Studies Department, receive a full professorship and a comparable salary according to his qualifications.

Dr. Hare is the only black administrator at SF State who was selected and hired by the black students. And his loyalty is to the blacks on campus and not to the white racist administration.

DEMAND #3

That there be a Department of Black Studies which will grant a Bachelor's degree in Black Studies; that the Black Studies Department, chairman, faculty and staff have the sole power to hire faculty and control and determine the destiny of its department.

DEMAND #4

That all unused slots for Black Students from Fall 1968 under the Special Admissions program be filled in Spring 1969.

DEMAND #5

That all Black Students wishing so be admitted in Fall 1969.

DEMAND #6

That 20 full-time teaching position be created in the Department of Black Studies.

DEMAND #7

That Dr. Helen Bedesom be replaced from the position of Financial Aid Officer and that a Black person be hired to direct it; that Third World people have the power to determine how it will be administered.

DEMAND #8

That no disciplinary action will be administered in any way to any student workers, teachers, or administrators during and after the strike as a consequence of their participation in the strike.

DEMAND #9

That the California State College Trustees not be allowed to dissolve any Black programs on or off San Francisco State College campus.

DEMAND #10

That George Murray maintain his teaching position on campus for the 1968-69 academic year.

George Murray, who is a graduate of S.F. State, is a well-qualified English instructor. He is able to relate to the needs of his Black students, while most white instructors ignore the unique problems of Black students on a white campus such as S.F. State.

11. That a School of Ethnic Studies for the ethnic groups involved in the Third World be set up with the students in each particular ethnic organization having the authority and control of the hiring and retention of any faculty member, director, or administrator, as well as the curriculum in a specific area of study.

12. That 50 faculty positions be appropriated to the School of Ethnic Studies, 20 of which would be for the Black Studies program.

13. That, in the Spring semester, the College fulfill its commitment to the non-white students in admitting those that apply.

14. That, in fall 1969, all applications of non-white students be accepted.

15. That George Murray and any other faculty person chosen by

10 POINT PROGRAM AND PLATFORM OF THE BLACK STUDENT UNIONS

We want an education for our people that exposes the true nature of this decadent American society. We want an education that teaches us our true history and role in the present day society.

We believe in an educational system that will give our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little chance to relate to anything else.

1. WE WANT FREEDOM. WE WANT POWER TO DETERMINE THE DESTINY OF OUR SCHOOL.

We believe that we will not be free within the schools to get a decent education unless we are able to have a say and determine the type of education that will affect and determine the destiny of our people.

2. WE WANT FULL ENROLLMENT IN THE SCHOOLS FOR OUR PEOPLE.

We believe that the city and federal government is responsible and obligated to give every man a decent education.

3. WE WANT AN END TO THE ROBBERY BY THE WHITE MAN OF OUR BLACK COMMUNITY.

We believe that this racist government has robbed us of an education. We believe that this racist capitalist government has robbed the Black Community of its money by forcing us to pay higher taxes for less quality.

4. WE WANT DECENT EDUCATIONAL FACILITIES, FIT FOR THE USE OF STUDENTS.

We believe that if these businessmen will not give decent facilities to our community schools, then the schools and their facilities should be taken out of the hands of these few individual racists and placed into the hands of the community, with government aid, so the community can develop a decent and suitable educational system.

5. WE WANT AN EDUCATION FOR OUR PEOPLE THAT TEACHES US HOW TO SURVIVE IN THE PRESENT DAY SOCIETY.

We believe that if the educational system does not teach us how to survive in society and the world it loses its meaning for existence.

6. WE WANT ALL RACIST TEACHERS TO BE EXCLUDED AND RESTRICTED FROM ALL PUBLIC SCHOOLS.

We believe that if the teacher in a school is acting in racist fashion then that teacher is not interested in the welfare or development of the students but only in their destruction.

7. WE WANT AN IMMEDIATE END TO POLICE BRUTALITY AND MURDER OF BLACK PEOPLE. WE WANT ALL POLICE AND SPECIAL AGENTS TO BE EXCLUDED AND RESTRICTED FROM SCHOOL PREMISES.

We believe that there should be an end to harassment by the police department of Black people. We believe that if all of the police were pulled out of the schools, the schools would become more functional.

8. WE WANT ALL STUDENTS THAT HAVE BEEN EXEMPT, EXPELLED, OR SUSPENDED FROM SCHOOL TO BE REINSTATED.

We believe all students should be reinstated because they haven't received fair and impartial judgment or have been put out because of incidents or situations that have occurred outside of the schools authority.

9. WE WANT ALL STUDENTS WHEN BROUGHT TO TRIAL TO BE TRIED IN STUDENT COURT BY A JURY OF THEIR PEER GROUP OR STUDENTS OF THEIR SCHOOL.

We believe that the student courts should follow the United States Constitution so that students can receive a fair trial. The 14th Amendment of the U.S. Constitution gives a man a right to be tried by a jury of his peer group. A peer is a person from a similar economical, social, religious, geographical, environmental, historical and racial background. To do this the court would be forced to select a jury of students from the community from which the defendant came. We have been and are being tried by a white principal, vice-principal, and white students that have no understanding of the "average reasoning man" of the Black Community.

10. WE WANT POWER, ENROLLMENT, EQUIPMENT, EDUCATION, TEACHERS, JUSTICE, AND PEACE.

As our major political objective, an assembly for the student body, in which only the students will be allowed to participate, for the purpose of determining the will of the students as to the school's destiny.

We hold these truths as being self-evident, that all men are created equal, that they are endowed by their creator with certain inalienable rights, that among these are life, liberty and the pursuit of happiness. To secure these rights within the schools, governments are instituted among the students, deriving their just powers from the consent of the governed, that whenever any form of student government becomes destructive to these ends, it is the right of the students to alter or abolish it and to institute new government, laying its foundation on such principles and organizing its power in such form as to them shall seem most likely to effect their safety and happiness.

Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes, and accordingly all experiences have shown, that mankind are more liable to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and force, pursuing invariably the same object, reveals a design to reduce them to absolute destruction, it is their right, it is their duty, to throw off such a government and to provide new guards for their future safety.

INCIDENT AT LINCOLN HIGH SCHOOL

Wednesday, February 26, Lauryn Williams returned to her old alma mater, Abraham Lincoln High School. She had just graduated from that school in January. Within an hour and a half after she arrived, she was downtown in jail on trumped up charges of trespassing. From this one illegal charge, the pig power structure along with a white racist teacher and a strong nigger, running dog who claims he was just trying to be black have now charged this courageous young sister with assault on a murderous pig, assault on a racist teacher, and resisting arrest.

The Black Panther Party realizes that the ridiculous charges brought against this sister was but another attempt by the decadent racist pig city government to remove a responsible, dedicated, active Party member from the streets. We are also aware that it was just another trick to make the victim seem like the aggressor. But to pig Alloto, to pig Cahill, to pig Jenkins, Alloto's chief lackey in the high school system, to the other dog H. N. Strong, who parrots the high school at Lincoln, to pig justice, we say to all of you from all of us, fuck you; we're going to take our case to the people.

This dedicated sister went through the procedure of obtaining a pass to be on the school ground. She talked with and received permission in the form of a written pass from the Assistant Principal Mr. Storkley. Lauryn's purpose for going back to Lincoln High School was to turn back over to the B.S.U. board funds raised at a cup cake sale. She also was going back to check whether or not the B.S.U. was still functioning within the guidelines of the 10 Point Platform of the Black Student Union.

The third reason for her visitation was to discuss the Black Panther Party's Breakfast for Children Program with the teachers and sponsors at Lincoln and with the B.S.U. steering committee. The intention was to mobilize the students and their sponsors around the breakfast program which started March 10th at Sacred Heart Church on Fell Street in San Francisco.

During the time Lauryn was trying to locate the sponsors and the B.S.U. members, fights broke out in the cafeteria between the black students and the white students.

tempt to destroy the minds and bodies of black youths. The people will raise up like our Minister of Defense says "Like a mighty hurricane that will sweep all the corrupt officials, avaricious businessmen, murderous pigs, and all their running dogs into their graves and tip the scales of Pig justice, and Pig law and order to the side of the people."

We shall triumph without a doubt. All Power to the People, Panther Power to the Vanguard and long live our Minister of Defense.

STUDENTS AND WORKERS JOIN

The Richmond Police are continuing their efforts to break the strike of Oil, Chemical and Atomic Workers, Local 1-561, against the Standard Oil Company of Calif. The Standard refinery in Richmond has been the scene of continual harassment of union pickets by police since the strike began early in January.

The latest incidents occurred on Wednesday, Feb. 19th, when over 200 Bay Area students, mostly from S.F. State and U.C. Berkeley, joined the OCAW picket lines under the mutual aid pact that has been established between the striking oil workers and the striking students and teachers in the Bay Area.

About 8:15 A.M., Mrs. Anna Moore, wife of a striking oil worker, after doing picket duty, was returning to her car with her 21 year old son, Mike Moore. A Richmond police officer rushed up, grabbed Mrs. Moore by the arm, twisting it so hard behind her back, that he broke off half her fingernail. Mike Moore was struck over the head by the policeman when he protested the treatment of his mother. Mrs. Moore was rushed to Broadside emergency for treatment for a badly sprained arm and her son was treated for a large welt on his head.

Mr. Al Moore, on the picket line at the time, heard about the brutality used against his family and asked Sgt. Ledford, Richmond Police Force, who had formerly

reference between the workers and "the others". (Meaning the students). It is doubtful that Mrs. Moore, who has a 21 year old son, could have been mistaken for a student from S.F. State or Berkeley. This can only mean that the Richmond police force has been acting under a more powerful influence in Richmond and has orders to treat oil workers and their families as police have been treating the students at S.F. State and U.C. Berkeley.

At 6:30 AM on the same day, Feb. 19th, Robert Avadian, a student and Terry Turnquist, member of Local 1-561, OCAW, were making a phone call from a PUBLIC phone booth at the Standard Service Station near the Freeway and Castro, Standard Oil Fire Marshall, Roy Krallman, of 5839 Sherwood Forest Drive, El Sobrante, Telephone 323-3336, pointed out Avadian and Turnquist to the Richmond police, who pulled them from the phone booth, pushed them up against the car, smashed Avadian's knuckles with a club, and arrested them.

Bob Avadian was booked under Richmond Penal Code 594-145 resisting arrest. He was released on \$440.00 bail. Terry Turnquist was a problem because the police had nothing to book him on. However, being very resourceful at this type of thing, the Police came up with a charge. He was booked in penal code 11.24010. For those who don't

under the back seat of the car in which Turnquist was driving. He does not own the car. His bail was \$315.00. Break the union and break the heads of the union workers seems to be the aim of the "law and order forces of Richmond."

In another incident Wednesday, the police broke up a mass picket line at Gate 31 of the Standard refinery. Just as the police were ready to move in the shortwave radio in the union headquarters that is used to monitor police calls picked up the following message to the police at Gate 31, "The longshoremen are coming, cool it!" The longshoremen, Local 10, ILWU were greeted with the song "Solidarity Forever," as they piled off the bus.

This is not the first time the police have backed down from a confrontation with the longshoremen who are supporting the oil workers.

On Tuesday, Feb. 18th, a picket line of oil workers in Martinez was being worked over by the police. A call went into the OCAW 1-561 for help. The police thought it was a call to the ILWU and when the cars of workers, wearing red helmets and carrying sturdy picket signs drove up, the police were vitally shaken and withdrew their attack.

A spokesman for the Richmond Local 1-561 said that the solidarity that has developed around the oil strike is "the beginning of the
