"WE ARE THE LIVING REMINDER THAT WHEN THEY THREW OUT THEIR WHITE TRASH THEY DIDN'T BURN IT"

PREACHERMAN
WHAT WE DEMAND

1. We demand freedom. We demand power to determine the destiny of our oppressed white community.

2. We demand full employment for oppressed white people, and that the means of production should be placed in the hands of the people.

3. We demand an end to the neglect by the capitalists of our oppressed white community; we demand that they do not make a profit on things we need for survival.

4. We demand decent and adequate housing, fit for shelter of human beings, regardless of our income.

5. We demand education that exposes the true nature of this decadent American society, that teaches us our true history; that teaches us cooperation rather than competition.

6. We demand that all oppressed white people be exempt from military service.

7. We demand an immediate end to police brutality and murder of oppressed white people, and that the people of our community control the police.

8. We demand freedom for all oppressed white people held in federal, state, county and city prisons, and that all our people be tried by a jury of their peers or from their communities.

9. We demand the end of the rape of our land by the corporations and monopoly farmers, and the land be returned to the people to meet their basic needs.

10. We demand an end to racism, and the inequality of the sexes, as tools of capitalism to divide the people.

WE DEMAND THESE THINGS IN THE INTEREST OF THE PEOPLE, AND WE THE PEOPLE WILL HAVE THEM AND DEFEND THEM BY ANY MEANS NECESSARY.

Patriot Party Supports Bobby Seale

The Chairman of the Black Panthers Party, Bobby Seale, is now on trial for his life. We of the Patriot Party see this as an attack not only on the Black Panther Party but as an attack on all oppressed people in America. The Vanguard of the oppressed masses practice solidarity. We recognize each other as revolutionary co-workers. The struggle of poor black, white and brown people in this country is one against a common oppressor. Through the programs of the vigilante group the political level of the masses of poor white people has been raised to the point where sections of the oppressed mass recognize the chairmen of the Black Panther Party as a warrior for the oppressed, and do not judge him by his subjective, personal line of now. The Party has, through example, not rhetoric, raised the poor white communities toward demanding their rights for survival, and that struggle for human rights must be allowed to continue and intensify the struggle.

Bobby Seale is a symbol of oppressed white people, the people of Appalachia, Upper New York State, and the people of the South, who have always known that the struggle is not over. The struggle is only beginning. The Party is dealing with the struggle of the people, the struggle for the people. Bobby Seale is recognized by the three Revolutionary Parties - the Patriot Party, the Black Panther Party and the Young Lords Organization - as a symbol of oppressed white people, as a symbol of solidarity.

"TO BE A REVOLUTIONARY IS TO BE AN ENEMY OF THE STATE. TO BE ARRESTED FOR THIS STRUGGLE IS TO BE A POLITICAL PRISONER."
The Patriot Party is a Revolutionary Party representing oppressed white people. We serve the basic needs of our People with Free Breakfast for Children, Free Medical Clinics, Free Food Programs, Free Lumber and Liberation Schools. The Patriot Party is responding to the People's needs by starting branches all over the country; wherever there are oppressed white people.

On Sunday night around 7:00 PM, Lindsey's farm store was torches kidnapped 7 Patriots and 1 child off the streets - without a warrant of any kind. The farm store was just off the main road and the men ran into a chicken coop, width 6 X 6 feet, with no fences, 100 cigs, 50 sausages, and dirt all over the floor and cat's fur of keys with no toilet paper. It's like just saying we are animals that don't deserve humane treatment. The only animals that we see are pigs with blue tails and halstahs, and the pigs refused, of course, so go to any rights. There are no rights of oppressed people in a fascist country! This is a fact.

The farm store was taken hardcore downstairs to supposedly watch the inspection of the people's cars. At that time a large crowd was gathering outside the farm store. It had to be at least a crowd of white people. We had to be inside the building to protect our rights. The black youth said, "release our brothers", and what this means to us is that solidarity goes down to the basic level of the people. This was shown to us in the jail, in the jails of this fascist pig town.

When we appealed to the people in the jails, they knew where we were coming from—White and Black, but the people being subjected to the fascist rule. We know at this time that the level of struggle is getting higher and the basic charges with which we were charged have been enlarged upon. We need to recognize that we have had the same treatment as Judge Murgath's house (the judge, the fascist pig judge, the Paneth 21 was published in the newspaper and those charges against us, we know that a concerted effort has been started to silence the Patriot Party and that it has started.

The press and the District Attorney have charged us with a conspiracy to bomb Judge Murgath's house and a house in New York City and we were questioned thoroughly about this. We heard not one word about it until we were in open court and the Attorney General stated that those charges against us, we know that a concerted effort has been started to silence the Patriot Party and that it has started.

The Patriot Party will carry on in solidarity with all oppressed people, the Black Panther Party, the Young Lords Organization, the Student's United Front, and all other people and organizations representing the masses of oppressed people.

We would like to say to the students of America, please take this message of America, the up and our massacre this fascists-machine—rise up in firm belief of the people. To the people on the streets we would like to say that don't know yourselves to go jail yet, there is a Party that represents the interests of the People and our People are free to take part in the liberation army of the people. We say to the petty bourgeois that we know your understanding and what I'm trying to say is that you can take part in this struggle. If you are willing to have your voices excluded. We say to all those people—ALL POWER TO THE PEOPLE and that if you're reached the level of struggle—the level of struggle where you can see your life's value only in relationship to the people. To the Black Panther Party, the Young Lords Organization, we would like to say that the people have a right to reality. We'll be here—BECAUSE THE PEOPLE WILL ALWAYS BE HERE ALL POWER TO THE PEOPLE!

"AN UNARMED PEOPLE ARE SLAVES OR SUBJECT TO SLAVERY AT ANY GIVEN MOMENT."

LANI, DAUGHTER OF SALLY WRIGHT, BRUTALLY BEATEN BY FASCIST PUNK.

My daughter and Patriot sister Lani, age 13, has helped get donations for the Patriot Party Breakfast Programs in Eugene and sold papers which tell the truth. Black Panther papers, and for this she lies in a hospital bed after 15 hours of brain surgery.

She was pushed off a running bus while holding the papers in her lap, and fell on the concrete. This pig did not even aim around to see if she was hurt, he couldn't have cared less. Skull x-rays showed a fracture, and further tests show a blood clot beneath the skull, a clot as big as a man's fist.

This injury was reported to the Eugene Police by Patriot Ian Timpson but they have done nothing about it, as they say they never get the complaint. They say they are going to investigate now - we'll see. Past practice has shown that pigs help the rich and not the poor and oppressed.

We of the Patriot Party see that our children are not safe anymore in this land of Babylon. There must be an end to this brutality, and there won't be an end until the people take the power from the pigs and into their own hands. THE PEOPLE HAVE HAD ENOUGH.

CHUCK ARMSBURY.
DEFENSE CAPTAIN AND POLITICAL PRISONER.

The Eugene Branch of the Patriot Party exists to serve the immediate needs (food, clothing, shelter) of the poor and oppressed people in Eugene and surrounding Lane County. We also serve the people's need to know why the situation in the country has gotten to such an extent.

Our point of departure is to demonstrate by example that "we practice what we preach" and that the truth includes the determination to rid this land of greedy politicians who enslave as industrialists, machine, millionaires, military, landlords, politicians, and bureaucrats. These greedy politicians sit like Kings and Queens who say they help you when they need you. They steal from poor families to rob other low-down poor people in Vet Nam and Korea.

The greedy politicians steal your money by charging super-high prices for materials we need for survival: Food, clothing, housing. They rob our families of unity and love by misleading our kids to the true nature of the dog-eat-dog society so that our kids get dumbed in school, drop out, get stoned on mind-misting drugs, and blame all parents for all this confusion and trouble.

The Patriot Party wholeheartedly acts and educates the people. We are here to do what the people want done and to do what is right. We believe it is time that the people of this country put into practice those time-honored, right beliefs about the rights to life, liberty and the pursuit of happiness for all the people, and end the practice of those wrong beliefs about the natural hatred among black, brown, red, yellow and poor white people, about the natural right to make a far profit on every material item in our stores, about the natural situation where a man who is rich is "better" than a man who is poor, about the miserable idea expressed in words like "well, that's the way things are" and "well, nothing can be done about these things."

We figure that a whole lot of white people have been waiting to hear it the way it is. Well, it's good to be here and we say that.

All the Power belongs to All the People. Free All Political Prisoners.

The Eugene PATRIOT

The Eugene branch of the Patriot Party exists to give the people of Eugene and surrounding Lane County the voice they deserve. We are fighting to protect our freedoms and ensure that our children are not forgotten in the struggle for justice.

The Patriot Party wholeheartedly supports and educates the people. We are here to make the people want and to do what is right. We believe it is time that the people of this country put into practice those time-honored, right beliefs about the rights to life, liberty, and the pursuit of happiness for all the people, and the right of those wrong beliefs about the natural right to make a profit on every material item in our stores, about the natural situation where even a man who is rich is "better" than a man who is poor, about the material ideal expressed in words like "will, that's the way things are" and "well, nothing can be done about matters." We reject that.

We urge all the people to support the Patriot Party. We are the most effective voice for the people. Our principles are simple: justice, freedom, and equality for all people.
