Dear Brothers and Sisters,

We write from the offices of the New Haven Branch of the Black Panther Party for People’s Self-Defense. Since June 1969, seven other Panthers (including our Chairman Bobby Seale) have been arrested and charged with the murder of Panther leaders. We are clearly arrested on the basis of a conspiracy to commit murder in order to protect and expand the Black Panther Party.

The repression of the Black Panther Party has taken a new and more virulent form since April 14. Sixty women and eight men have been held on charges of murder, conspiracy, kidnapping, and other crimes. These charges have been filed against ninety-four defendants, and over 100 more are under investigation. This is the largest organized attack on a political party in U.S. history.

Since June, the New Haven Black Panther Party has been subjected to an all-out police offensive. Police raids, surveillance, and head-hunting tactics have been employed to disrupt our work. The Party has been arrested for the murder of our Chairman, Bobby Seale, who was killed in Berkeley in July. The Party has been charged with conspiracy to commit murder in New York City, and the FBI has raided the Party's offices in Chicago.

The repression of the Black Panther Party is an attack on all poor and oppressed people. It is an attack on all the poor and oppressed people around the country.
